Notes:
1. [1]Preliminary postcensal estimates.
2. Estimates released today are based on 2011 Census counts adjusted or census net undercoverage and incompletely enumerated Indian reserves to which is added the estimated demographic growth for the period from May 10, 2011 to December 31, 2013.
3. These are population estimates and should not be confused with the 2011 Census population counts that were released on February 8, 2012.
